

# Superreel® - Industrial Reel

## Heavy duty cord reel

With a variety of configurations for industrial and commercial applications, outfit your workspace with an industry-leading heavy duty cord reel from Superreel. Trusted by maintenance repair operators, aviation specialists, military personnel and more, our reels perform in the most demanding workplaces.

Easy to operate reel winds extension cord onto spool and keeps it neat - no more hassling with knots and messy piles of cord.

Cord reels are heavy duty, industrial grade power sources. These heavy-duty electric cord reels replace tangled extension cords and self-retract to increase safety, productivity and efficiency. Heavy duty cord reel are designed for long-lasting, trouble-free performance even under the most demanding conditions.

If you don't see a standard cord reel that fits your application, just let us know – we'll help you find the right cord reel. We offer custom reels that can be tailored to your specs.

## OUR CAPABILITIES

- Ultra-high pressure and high current, the highest pressure of gas and liquid up to 80-100MPA. Taking advantage of the National New Energy Policy, the maximum current of the DC charging reel can reach to 500A.
- Super-long. Spring-driven reels can handle hoses or cables up to 50 meters. Motor-driven reels' capacity up to 3000 meters.
- Engineering reciprocation. One of the few domestic manufacturers that can produce reciprocating hose reels and multi-line hydraulic reels.

# Superreel® - Industrial Reel

---

- Smart reels with intelligent functions. Limit, feedback, measurement, remote control, APP control, adaptive control and other functions are used in our reels.
- Hose and cable combined reels. One reel can manage/ transmit media including acousto-optic signals, various gas-liquid media, etc, at the same time.
